

**We are a Service organization – much more than just Software.
Let's find the best solution together!**

With in-person events on hold for the foreseeable future, Bolder Events has made swift changes to our event services model, migrating fundraising events to the virtual world with proven results. During these uncertain times our mission remains the same: designing customized solutions for your fundraising needs.

Customized Fundraising Event Solutions from Start to Finish

- Planning
- Pre-Event
- Live Event
- Post-Event

Strategic Communication

- Carefully crafted communications plan keeps virtual audiences engaged and donating
- Expand new and existing donor participation and outreach with virtual engagements
- It's especially important to stay in touch with your donors!

Virtual Production

- Multiple execution options managed by our team of experts
- Content creation & virtual production
- Auctioneers & emcees streamed directly into your donors' homes
- Build community and engagement a virtual chat room, audience polling, and Q&A

Mobile Bidding Software & Support

- User-friendly and secure tools to engage audiences virtually and maximize results
- Mobile bidding for your silent auction, live auction, and Paddle Raise – including leaderboard and appeal display options
- Ongoing tech support throughout the planning phase and event day

Our community is looking for ways to help nonprofit organizations now more than ever.
